Client Success Stories

Transforming Teams Through Tailored Training

“3 exciting days that offered a lot of knowledge sharing, valuable experiences and good bonding with new people. Sya was very energetic and the whole training was fun with her wittiness character. The materials were prepared adequately, and the topics covered were well understood.”

“I recently completed the training provided by FIXX BZ Resources. I must say it was perfect! The instructor was knowledgeable, competent with good field experience and supportive, ensuring that I gained valuable skills and knowledge.”

Project Manager – SPIE Oil & Gas Service
Malaysia Sdn Bhd

“The course content was good, covering everything from structuring report to crafting clear and concise technical language. The hands-on exercise and feedback provided by the instructor were invaluable in improving my writing skills. Thanks to this course, I now feel confident in producing professional and effective technical reports.”

Generation, Procurement & Inventory – Sarawak Energy

“That’s fantastic progress after attending the course. Being able to write e-mail reports confidently is a valuable Skills, and its great that this course helped me to achieve that. Thank you.”

Exec, GPI Dept – Sarawak Energy
